Muhammad Noor Ullah

Founder & CEO
Fruitables Group

Established in 1985, Fruitables has been a trusted name in the fresh produce industry for over three decades. We are a customer-focused platform dedicated to providing organic fruits and vegetables directly from farm to doorstep.

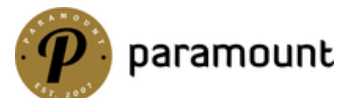

Our journey began with a simple mission: to offer customers an easy, convenient way to access high-quality produce while maintaining our commitment to delivering the freshest foods possible. Today, we continue that legacy, sourcing only from farms that share our dedication to quality and sustainability.

What we do

As a leading vegetable supplier since 1985, Fruitables Pakistan has built a reputation for reliability and excellence. We source premium produce from trusted farms, ensuring that our fruits and vegetables are of the highest standard. Whether it's daily grocery needs or weekly and monthly deliveries, we make healthy living simple and accessible.

For those who are away from their loved ones, we offer personalized gift baskets and regular grocery deliveries, providing a thoughtful way to stay connected.

E-commerce

We deliver fresh fruits and vegetables directly to your door, perfect for home cooks and culinary enthusiasts.

Retail

We provide premium, locally sourced fruits and vegetables through our network of shops.

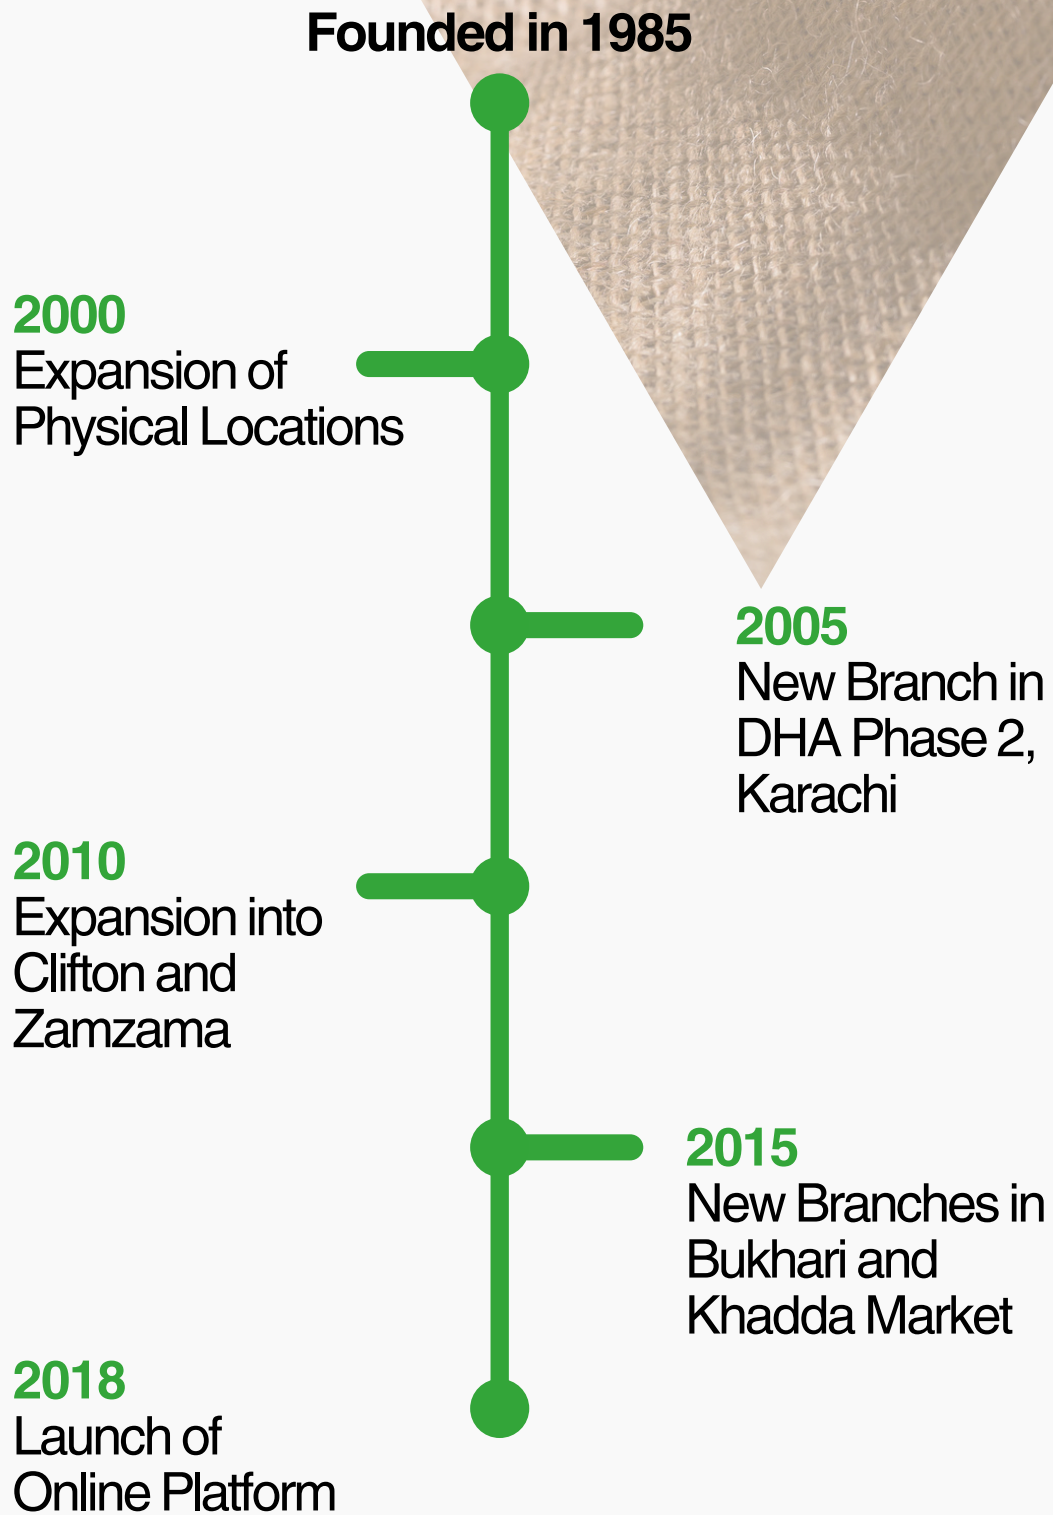

Wholesale

We deliver bulk fresh produce to restaurants and institutions, ensuring quality and reliability for your kitchen.
